About the song

Infinity (So Sweet) is Julian Guba's latest release, perfect for **nights you wish would never end**. It mixes **electronic**, **pop**, and **techno** into a fast-paced track made for summer parties, late-night dancing, and everything that comes with it. At 155 BPM, the rhythm stays steady and intense throughout.

The message is direct. It is about wanting someone so deeply that a single moment with them never feels like enough. The lyrics express that **desire** through scenes of **closeness**, **heat**, and **movement**. The song samples the melody from *Carolyn*, Julian's most played track with 1.5 million streams on Spotify, now reimagined with a lighter and more playful tone.

Infinity (So Sweet) is about connection, movement, and the kind of feeling you want to last just a little longer.
