### [Intro]

As far as I can see you are just like me

Hoping the bass gonna make you believe

We're people on the run looking for some fun

Leave them behind 'cuz we're gonna go on

'til the Morning Sun

### [Verse 1]

Another 7 days of living in a haze

Feels like I'm lost inside a never ending maze

Been good on my own, yeah I'm used to being alone

But you feel like I've known you all along

### [Chorus]

As far as I can see you are just like me

Hoping the bass gonna make you believe

We're people on the run looking for some fun

Leave them behind 'cuz we're gonna go on

'til the Morning Sun

Morning Sun

Morning Sun

[Verse 2]

You helped me to move on from a life I had outgrown  
And it feels like I finally reap the things that I had sown  
Forgot just what it means to be living something real  
And it feels like I finally believe

[Bridge]

That in the sun  
Life goes on  
Yeah in the sun  
Life goes on

[Chorus]

As far as I can see you are just like me  
Hoping the bass gonna make you believe  
We're people on the run looking for some fun  
Leave them behind 'cuz we're gonna go on  
'til the Morning Sun  
Morning Sun  
Morning Sun  
As far as I can see you are just like me  
Hoping the bass gonna make you believe  
We're people on the run looking for some fun  
Leave them behind 'cuz we're gonna go on  
'til the Morning Sun
